WEEK OF: SUMMER CAMP

July 5-9

9:30am-12:30pm

River Rats -- A closely supervised clean up of local rivers to create safe recycled art. Inspired by our campers last summer, we will begin by walking a few blocks to the Rooster River (which winds through the Stratfield section of Fairfield) wearing gloves and boots, and collecting debris, we will selectively use what we've found to create our masterpiece.

July 12-16

9:30am-12:30pm

Ephemeral Art in Nature I, Inspired by Andy Goldsworthy: This class is our signature class, and one of our favorites. Each day we meet in a different location and create art Andy Goldsworthy style, using only what is found in nature, and creating only art which will not disturb or harm the environment. The children will look at nature and being outdoors in a whole new light! At the end of the course the students will have a wonderful supply of photographs from their experience. Cameras not required, as we will take photos. To learn more about this type of art, check out our slideshows on our website.

July 19-23

9:30am-12:30pm

Young Artists Sampler I, Five Days of Different Art! Outdoor/Painting/Drawing/Sculpting: We'll have five fun-filled days of art, from painting to sculpting. We'll even throw in an ephemeral/Goldsworthy day for fun.

July 26-30
